

IN TRAVIS COUNTY EVERYONE COUNTS AND EVERYONE SHOULD BE COUNTED

COMPLETE AND MAIL YOUR CENSUS FORM

Travis County agencies and organizations depend on a complete count that determines how much our community receives in federal funds for roads, education, public works programs and non-profit organizations. Ten years ago Travis County was undercounted and as a result lost out on more than \$235,000,000 in federal funds. Each person who completes a Census form is worth about \$15,000 in federal funds for the 10 year period.

If you have received a U.S. Census form, PLEASE mail it in TODAY.

If you have not received a U.S. Census form, you may call the 800 number listed below or visit one of the Census Questionnaire Assistance centers listed below.
